with Betty Allen...

There will be some lifted eyebrows around town over Sunnyvale's getting a second bank while Campbell remains without any. The American Trust Company which turned down Campbell's plea for a branch here, was granted a charter in April by the state superintendent of banks for a Sunnyvale bank. No definite date has been set for its opening and the delay is believed due to the fact that American Trust does not operate under a national charter and is awaiting membership in the Federal Deposit Insurance corporation.

Just heard about the Los Gatos-Campbell Toastmasters' Club which is devoted to the improvement of public speaking. The group meets every other Monday at the Fir Tree Inn in Saratoga for dinner and then gets down to work. Both prepared and extemporaneous speeches are given and then criticized constructively and thoroughly by the other members. Best speaker so far seems to be Henry Frank of Los Gatos, according to his critics. Members from Campbell include Budd Levenberg, who is vice-president, Everett, Clarence and Milton Nelson, Walter Silberbauer and Jack Murdock.

★ ★ ★

And speaking of Jack Murdock, he came in for a lot of attention in a Los Gatos paper, the Toastmasters' Club and the Campbell Kiwanis Club for his discovery of Miss San Francisco in a Los Gatos restaurant... The... beautiful... girl, otherwise known as Miss Virginia Phillips was en route to Santa Cruz to enter the Miss California contest there. Trust Jack to discover her!

Among the projects which the Chamber of Commerce might well take up is the printing of a map of the Campbell district. I'm not trying to drum up business but I wish I had kept a record of the people who have come in to the Free office and asked for one. It would be a convenience to residents as well as visitors since so many new streets and subdivisions have been added.

A Chamber of Commerce in a nearby town sent out cards in the mail to all its members asking them what projects they would like to see undertaken. It might be a good idea here and it's just possible they might all come back marked "incorporation."

Have you noticed the epidemic of shoe-shine boys on the street? They seem to do a good business and they're another sign of summer.

The Methodist Church is troubled by bees—and that's not funny, either. According to experts it will take a large amount of tearing down and rebuilding to get them out. Don't let this keep you away from church—so far no one has been stung.

Although the recreational program is rolling along it needs the cooperation of the mothers who will be needed to assist the directors. Don't wait to be asked—Call Art Tindall at 2189 and volunteer your services for an afternoon or a morning each week. The more we put into the summer program the easier it will be in the fall when the program will be as vital as needed as now because of the half day sessions at school.

A distinguished visitor in Campbell Tuesday was J. P. Ersek, D. Agr. Sc., Section Chief of the Agricultural Industry, Hungarian Department of Agriculture and Secretary in Chief of the Hungarian Council of the Caning Industry. He traveled, he said, 10,000 miles to visit the world's largest dehydrator.

Heard a rumor that the High school is to have a new music wing and soon!

A GROWING NEWSPAPER IN A GROWING COMMUNITY

Summer Recreation Program Is Now Well Under Way

This week saw the Campbell recreational program get into full swing with the opening of two centers—one at the Campbell Grammar School and the other at the Cambrian School. Expected to be in operation next week are similar centers in the Moorpark and San Tomas areas.

Arthur Tindall, recreational director, reports that he has selected two assistants who started their work this week. They are Miss Barbara Ernest of Palo Alto, a senior at San Jose State College, with three years' experience in occupational therapy and craft work with war veterans.

The other assistant director chosen is Miss Coralie Hill, a Campbell High School graduate who is now a sophomore student at San Jose State. She has had extensive training in drama, crafts and tennis.

Adding to the program is the announcement by Laurance Hill, high school principal and district superintendent, that the board of trustees for the Campbell High School district has voted to cooperate with the Co-ordinating Council and in support of their decision have already let the contracts for the repaving of three of the six tennis courts and for the paving of two outside basketball courts and two outside volleyball courts.

Successful bidder was the Robert Sidenso Paving Co. The work will be done at such a time as not to interfere with the scheduled summer tennis tournament.

Also as a part of the Board's cooperation will be the organization of a youth center for teenagers under the direction of Miss Muriel Carson, Campbell Union High School teacher. A meeting for this purpose will be held next Monday evening. The high school gym will be open two evenings a week for teen-agers' games under the direction of R. R. Robinson.

For the younger children the swimming instruction at the Woodrow Wilson swimming pool is proving very popular. The use of Campbell Grammar School buses has been donated by the Grammar School board for the purpose of transporting the children into San Jose and back.

Other features of the program now in effect include crafts, organized games and free play. Among the craft work to cover a twelve week period will be painting, metal work, carving, ceramics, braiding, costumes and design, discarded material usage, weaving, basketry and selective work.

Rev. L. Osborne Reappointed Here

Rev. Lawrence J. Osborne has been reappointed to the Campbell Methodist Church for the coming year. This is his third year as pastor of the church. The Rev. Donald H. Baldwin, a former minister of the Campbell Church, was reappointed to the Merced Church. An honor came to Mr. Baldwin at the recent Annual Conference session when he was unanimously elected Conference Secretary.

Dr. S. J. Chaney, who has served at Los Gatos for the past several years, has been appointed to Sonoma. Dr. Jesse Lackland will go to Los Gatos from Redwood City. All the San Jose appointments remain the same for this year, except for the new Roselawn Methodist Church in Burbank. Rev. Sidney Smith will take the place of Rev. Gordon Wilson.

A new plan of districts in the conference has been made. This area is in the San Jose District, with Dr. Roy E. Wilson as the District Superintendent.

Dr. John F. Wilson a former Campbell minister who built the present Campbell Church, has been reappointed to his work at Morgan Hill.

Cambrian Hardware rallied to defeat Campbell Hardware in Saturday's play, 8 to 7 in the last inning. Both pitchers Barton for the Campbell outfit, and Wolters for the Cambrian men pitched steady ball. Takata and Mason for Cambrian and T. Barton, Madson, Baxter and Thompson for the losers played good ball.

Gilpatrick and Standish remained undefeated for the 2nd round when the Campbell Taxi squad failed to show for their game.

Schedule for the next round will be sent out following a meeting of team sponsors and managers.

Local Artist Exhibiting In Los Altos

Now on exhibit in Los Altos are 18 oil paintings by the Campbell artist, Frank H. Cutting. Scene of the exhibit is The Garden Patio, 147 Main Street, and the showing will be open to the public through July 3.

Larry Payne, proprietor of Payne's Furniture Store, and the Brier-Lea Studios are the co-sponsors of the event.

Next Saturday afternoon the artist will be present in person and tea will be served from 3 to 5 to all those attending.

This exhibit of California landscape paintings, for which Cutting is so well known has gone directly to Los Altos from the recent art exhibition which commemorated the class of Golden Grads at San Jose State College.

A graduate of San Jose in 1897, Cutting's work received much favorable commendation at the San Jose showing. Although he is a native of Iowa, the artist came to California in 1897 and has made California landscapes his favorite subjects. Other subjects have been the National Parks such as Yellowstone, Grand Canyon and Bryce Canyon as well as the Columbia River area.

Early teachers who influenced the Campbell man were the well-known Miss R. Booth of the College of Pacific, William Adams, Charles Harmon, both of San Jose, Arthur Hill Bilbert, member of the ANA from Monterey and Charles Lasar of Belgium.

Cutting is well respected as an exhibitor at California shows, where he has won many prizes. Among his usual exhibits are the Santa Clara County Fairs, the State Fairs, Humboldt County Fair, the Santa Clara Annual Exhibit and the Oakland Annual Invitational Exhibit.

As well as being a prolific artist, Cutting finds time to teach art classes and has a large following among local art students.

Members of the editorial staff of the Patrick Peabody Publications attended Friday and Saturday sessions of the editorial conference of the California Newspaper Publishers' Association. The annual event was held on the Stanford University campus.

Hospital For Area Discussed

Plans for the building of a hospital to serve the Los Gatos, Campbell, Saratoga and lower San Jose area are being formulated by a group of men who met last Wednesday in Los Gatos. Herbert Shadle of Campbell, representing both the Chamber of Commerce and the Kiwanis Club, attended the gathering and reports that a strong central executive committee will be named soon to start the ball rolling.

Dr. P. K. Gilman, chief of the Bureau of Hospital Surveys, State Department of Public Health, told the group that a new 35-bed hospital for the area was needed. He estimated that a potential patient-population of 15,737 existed in the Los Gatos, Campbell, Saratoga and lower San Jose area but that of this number 50 per cent would not necessarily be expected to come to a local hospital.

"On the death rate ratio," he said, "an 80-bed hospital is needed, but because about 50 per cent of the patients would go elsewhere to receive specialist treatment, the need would be reduced to 35 or 40 beds. This would give the accepted average of 4½ beds for every 1000 residents."

Dr. Gilman recommended a tax-supported hospital, and said that both State and Federal funds are available up to two-thirds of the cost of any non-profit community institution eligible to apply for funds on required qualifications.

The hospital authority further recommended that the building be built on approximately five acres near the center of population to be served but not near airfields and away from noise and dust.

William Weeks, a statistician working under Dr. Gilman, estimated that construction costs would be about \$12,550 per bed, or a total of \$439,250.

BLUEBIRDS TO ATTEND CAMP

The Santa Clara County Camp Fire Girls Council has been busy making preparations for the opening of Camp Wastahi in the Big Basin. Mr. and Mrs. C. David Baxter represented Campbell during a week-end of work by volunteer crews when the camp was put in readiness for the girls.

Campbell Blue Birds who will leave next week for Camp Wastahi are Patricia Baxter, Beatrice Noethig, Marcia Poore, Janie Palglase, Sally Yarnell and Mary Anne Parysek all from the Firefly group. The Blue Fairies group will include Joanne Minehart, Susan Longfellow, Beverly Benson, Joyce Hansen, Pat Means and Leticia Pegale.

Graduate At ATC School

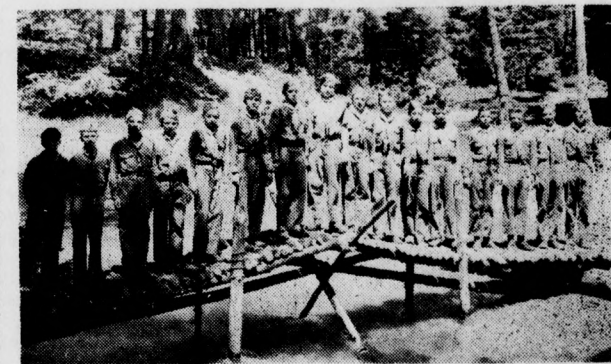

Pfc. Lawrence R. Lewis, Jr., son of Mr. and Mrs. Lawrence (Larry) R. Lewis, Sr., 276 W. Latimer Ave., this week was graduated from one of the world's greatest educational programs—one of the Air Training Command's airplane mechanics training courses at Keesler Field, Miss.

The training he received in the mechanics school covered basic airplane and engine mechanic operations. The technical course extended over a period of approximately 16 weeks and included instruction in aircraft electrical systems, engine operation, fuel and oil systems, propellers, structures, instruments and basic inspection. This qualified him for additional specialized training in the maintenance of heavy bombers, cargo planes, jet and rotor aircraft.

Campbell Scouts Again In Yosemite National Park

Boys revisit bridge built by troop last year.

Scout Troop 30 Is In Yosemite

By Dudley Herschbach Scout Reporter

Moreland Scout Troop 36 is now enjoying a two-week trip to Yosemite National Park. All twenty-two members of the Troop, accompanied by Scoutmaster R. Herschbach, left last Monday morning and will not return until July 7.

The summer camp in Yosemite has now become an annual affair for the Scouts, as they spent 11 glorious days there last summer.

The boys expect an even better trip this time as much camping experience and equipment has been gained on many shorter trips this year.

The Scouts hope to get the same

campsite they used last year, as they consider it "the best in the Park" and also would like to reconstruct the now-famous bridge they built last year.

Also the Troop has been lucky enough to obtain a motion picture camera, and expects to make some very interesting movies to show their parents at a big banquet when they return.

Boys enjoying the trip are: Joey Campagno, Buddy George, Dudley Herschbach, Clarence Hill, Jack Lipford, Carl Mills, Edward Pankoski, Harry Pankoski, Neil Phillips, Allan Rodgers, Eddy Rosborough, Bill Shepherd, Frank Shepherd, Richard Sisemore, Bernard Spiegel, Bobby Sunzeri, Sam Tachima, Harold T. O. Burton, Weisendanger, Edwin Weisendanger, Bobby Wynne, and Howard Wynne.

Lico's Defeats Kopper Kettle

Lico's Market, behind the three hit pitching of Roy Solos, defeated the Kopper Kettle team six to one in a Los Gatos League game Friday evening. Solos struck out ten of the Kopper Kettle men.

The win moved Lico's into a tie with Davenport's of Los Gatos.

Ed Loudon, losing pitcher, turned in a well-pitched game but wasn't given the fielding support of his team mates. Loudon allowed six hits and only one earned run. The loss was the first for the Kopper Kettle.

Hitting star for Lico's Market was Wayne Buck, getting two of the six hits from Loudon.

Fourth To Be Without Fireworks

If fireworks are sold in the County unincorporated area this year, it will not be with consent of the Board of Supervisors.

State Forest Ranger George Britton and County Fire Marshall Henry Lingua reported their fire menace and dangerous to safety of property in the County.

Britton told the Board bootlegged black market fireworks from San Francisco's Chinatown were flooding the County.

Al Ruffo, San Jose Mayor and private attorney, asked the Board to give one applicant, V. Sciotino, 977 N. First St., special consideration inasmuch as his \$500 stock of fireworks had been purchased prior to the war, but Supervisors said "No."

Local Minister Goes To Mindano

F. T. Hamilton, minister of the Church of Christ here, will leave with his family in early fall for Zamboanga City, Mindano Island, in the Sothern Philippines to take up a ministry there.

At present the Hamiltons are at Camp Curry in Yellowstone Park attending a Church of Christ camp meeting. Both Mr. and Mrs. Hamilton are teaching children's and teacher-training courses during the session.

Mrs. Pearl Mears and Mrs. Flo Wetzel accompanied the Hamilton family to Camp Curry.

On their return the Hamiltons will move to San Francisco where Mr. Hamilton's headquarters will be the 17th Street Church of Christ.

Campbell Court Notes

By Judge Blaine

In a recent letter to The Campbell Press a correspondent wrote, "Can it be possible that one man or a group of men 'put a scare' into enough voters to stop the incorporation of Campbell into a law-abiding town?"

Recently the Campbell judge discussed law enforcement with police judges of two incorporated towns, Los Gatos and Sunnyvale. The police judge of Los Gatos said that fines there sometimes run as high as \$500 in one month. The police judge of Sunnyvale reported fines there sometimes as high as \$100 in one month.

San Jose is of course incorporated. In a recent month San Jose police court cases numbered 3987 and fines totaled \$7520. There is a section of incorporated Los Angeles of which it is said that they will cut your throat for a dime. The criminal "take" in Los Angeles for the first three months of 1947 is estimated at about two million dollars, in incorporated San Francisco, \$580,000.

In incorporated San Francisco, also, it is estimated that 6,000 habitual drunks rotate through the police courts every year.

If it is expected that incorporation will make Campbell into a law-abiding town, somebody is likely to be disappointed. And when we are disappointed in this way we should be ashamed of ourselves. It was Walter Lippmann, prominent columnist, who said, "It is too bad that every political campaign has to be an insult to human intelligence."

When another campaign is begun for Campbell's incorporation there will be an opportunity to set a record for arguments that will be realistic. For instance, incorporation would give us local self-government — for better or for worse. Only actual experiment will prove which. But the fact of local self-government is a sound argument, for it will be one of the things we shall get.

Again, the quality of our local government will depend upon the quality of our local public spirit. When public spirit is an expression of self-sacrifice it is one thing. When it is an expression of self-indulgence it is likely to be something else.

As a rule, only when we are lifted out of ourselves do we do a good public-service job.

HISTORY OF CAMPBELL

6.—MISSIONS, PRESIDIOS and PUEBLOS

A century and a half slipped away after Viscaino's colonization scheme before any settlements were actually made in California. By that time Spain and Portugal were no longer the unchallenged masters of the sea. The Invincible Armada had been destroyed; the ships of England and Holland were roving at will over the Spanish main. With the weakening of her sea power, Spain gradually recognized the necessity of strengthening the hold on her lands.

It was decided to colonize California. When the missionaries of Mexico heard of the plan, they eagerly begged to have a share in it, and the king welcomed their idea of converting the Indians and making them loyal subjects of the crown. The expedition was therefore planned as a joint enterprise. Portola was made the civil governor of California and Father Junipero Serra president of the missions.

Both a presidio and a mission were established at San Diego in the spring of 1769. The original plan was to establish the first colony there and then proceed to Monterey by boat and establish the second, but scurvy and desertion had so weakened the crews of the ships that it became necessary to go by land if the king's orders were to be obeyed.

Governor Portola and Father Crespi at the head of a company of soldiers, missionaries, and Indians, 62 persons in all, began the march for Monterey in June, 1769. Mules and horses carried the supplies. Three of the party kept a day-by-day record of the trip. In the lead were the officers, then came men with spades and axes to open the way where necessary. The need for exploring ahead for water and pasture caused delay; the summer heat and difficulties of terrain made progress slow. The many Indians found along the way went out to meet the Spaniards and often accompanied them for considerable distances before turning back. The journalists described them as "docile." North of Santa Barbara they became fewer and were observed to be "less industrious".

install a Family-Size
GAS WATER HEATER!

Who likes a chilly spray of cold water down the spine? It is certainly something to "yowp" about when you expect to relax with a steamy-sudsy, lazy bath and instead draw ice water.

When the hot water supply in your home "runs out" it means that the family use of hot water is bigger than your water heater can deliver. And the solution is simple—see your gas water heater dealer and have him replace your present heater with a new Automatic Gas Water heater with a big enough tank. Or use the chart below to help you "size-up" the hot water supply needed for your home and family.

Box Office Reporter

Playing Sunday and Monday at the Campbell Theater is "The Red House."

With Edward G. Robinson, Lon McCallister and Judith Anderson topping a cast which includes three impressively talented newcomers to the screen, producer Sol Lesser's first Thalia Productions offering stacks up as a strong contender for acclaim in the field of mood melodrama. Written and directed by Delmer Daves, from the novel of the same name by George Agnew Chamberlain, it is a film in the general category of "Rebecca," suspenseful and steadily engrossing, telling an adult story well and without sensationalism. Seen from the beginning, as it should be, it rates with the best of its kind and promises to build as it runs.

Robinson is presented as a farmer who lives with his spinster sister and adopted daughter hard by Ox Head Woods, a sinisterly regarded area reputedly harboring a screaming something which terrorizes people who invade it, over his warning, at night. McCallister

portrays a youth, employed by the farmer, who declines to be frightened away from the woods, and Allene Roberts, a new player with personality and ability, is seen as the adopted daughter, enamored of the boy, who accompanies him on his unauthorized investigations of the forbidden area. Mystery and suspense center about a red house, deep in the forest.

Excellence of production, direction and performance give the story, itself unique, impact of an intensity beyond the capacity of a synopsis to convey.

Miss Roberts, Rory Calhoun, who plays strongly an unprincipled young vagabond, and Julie London, as an adolescent with uncontrolled emotions, contribute performances which suggest that much will be heard from them hereafter.

MRS. RODRIGUES ILL AT HOME

Mrs. Joe Rodrigues, proprietor of Billies Beauty Shop, is confined to her San Jose home due to illness and the Campbell shop has been closed.

GUESTS AT LOU'S VILLAGE

Twenty-one girls, their leader, Mrs. J. Henley and Miss Barbara Davis and Mrs. Irma Sanders of the sponsoring committee of Sigma Sigma Society enjoyed breakfast at Lou's village last Monday.

The question of the Day "When was Campfire organized" was answered correctly by Katherine Bower and brought her a nice prize.

Marilyn Wheeler received a beautiful sweater for giving an account of her narrow escape.

And Jeannette Gomes received a beautiful pair of kid gloves for having done a grand job of musical directing for Acowasin. Her specialty was Harmony singing.

Mrs. Henley gave "Cannibal" Costume pins to outgoing members, the 8th grade girls.

ARKANSAS PICNIC IS ANNUAL JULY 4 EVENT

Few good Arkansans now in California need to be reminded that Independence Day is a big event in this state. On that day each year thousands of good Americans who once lived in the state of Arkansas celebrate their favorite national holiday by meeting at Amergie Park, Fullerton, for their Annual State Picnic.

This year a long list of favorite entertainers headed by T. Tex Tyler will provide music and fun for all, while the old folks talk over days of yore.

The committee in charge, headed by Lee Pennington of Buena Park and Wint Nickles of Placentia, state that all are invited to bring their lunches and spend the day.

Rev. Tom Farley Performs Ceremony

The Mountain View Presbyterian Church was the setting last Sunday afternoon for a charming June wedding in which David Farley, son of Mr. and Mrs. Guy Farley of Campbell, claimed as his bride Miss Shirley May Thomas, daughter of Mr. and Mrs. James A. Thomas of Mountain View.

Performing the ceremony before the 350 guests was the bridegroom's brother, the Rev. Thomas Farley who, with his wife and baby, came from Southern California for the event.

Given in marriage by her father, the bride was gown in traditional ivory satin and carried a bouquet of white orchids, gardenias and bouvardia. Her long veil had been worn by Mrs. Guy Farley at her wedding. It was held in place by a wreath of orange blossoms.

Miss Patricia Lou Robinson of Nampa, Idaho, cousin of the bride, served as maid of honor. She and the two bridesmaids, Miss Mary David and Mrs. Olga Batey, were gown in ice blue satin.

Wedding Vows Exchanged Thurs.

Before an altar banked with white gladioli, poppies and calla lilies and fronted with pink hydrangeas, Miss Barbara Whittington and Robert Raker exchanged their marriage vows in the Congregational Church last Thursday afternoon. The Rev. Robert Carlson performed the double ring ceremony.

Miss Whittington, who is the daughter of Mr. and Mrs. Bernard E. Whittington of Danville, Ill., was escorted down the aisle by her uncle, Dr. Gabe Long. Her wedding gown was of white satin fashioned with fitted bodice and full skirt ending in a train. Both the dress and train bore lace insertions and she wore a small lace hat from which her fingertip veil fell. Her bouquet was made of white orchids and bouvardia.

Preceding the bride and her bridesmaid was little Miss Martha Long, daughter of Dr. and Mrs. Gabe Long. She wore a floor length dress of blue net over satin and carried a basket of flower petals to strew before the bride.

Miss Joyce Berglund was the only attendant. Her frock was of pink chiffon, complemented by a bandeau of pink carnations. Her bouquet was a French one with pastel colored flowers.

Best man was Frances Wellman and ushers were Larry Cooper and George Jeffers.

A reception was held at the Long home after the ceremony and honor guests were the bride's mother who arrived from Illinois for the ceremony and the bridegroom's grandparents, Mr. and Mrs. Charles I. Raker of Oswego, Oregon.

For the occasion Mrs. Whittington chose a pale blue suit dress with black accessories. Mrs. Raker, mother of the bridegroom, wore a white suit dress with black accessories and both mothers had orchid corsages.

Assisting at the reception were Mrs. Henry Dahleen and Mrs. Paul Morton.

When the newly-married pair left for their wedding trip, the bride was attired in a navy blue and white two piece dress with a navy blue hat and white accessories. With this she wore an orchid corsage.

Campbell will be the future home of the young couple who are already at home in their new house on Giles Way. In the fall the bridegroom, who is the son of Mr. and Mrs. Ellsworth Raker, will attend San Jose State College and later, Stanford University.

HOLTS VISIT IN TURLOCK

Mr. and Mrs. Ray Holt, Johnny Holt, Louella and Anna Lea McGowan, of Campbell spent the last weekend in Turlock as the guests of Mr. and Mrs. Oliver Vickroy. Remaining for a week with the Vickroys are Louella and Anna Lea. Among the diversions being enjoyed is horseback riding.

SOUTHERN TRIP IS POSTPONED

Miss Barbara Mott, Mrs. Eva Grattan and her daughter, Virginia, have had to postpone their trip to Los Angeles due to the sudden illness of Mrs. Grattan's mother.

They wore wreaths of cornflowers and carried French bouquets of cornflowers and marguerites.

Little Miss Beverly Ann Burgoyne, another cousin of the bride, was flower girl and also wore blue, in a deeper shade.

Best man was Leo Raiche and ushers were Robert Gates, David Crawley and Neal Kennedy.

For the occasion the church was decorated with white gladioli and several varieties of daisies. Preceding the ceremony, Mrs. Helen Graham sang "I Love You" and "Calm is the Night." Immediately after the service she sang "The Lord's Prayer." Accompanying her at the organ was Mrs. Effie Carr.

The Thomas home in Mountain View was the scene of the wedding reception following the rites. Assisting in serving were the Misses Elizabeth Greulich, Grace Magius, Marilyn Bettinger, Ellen Davis and Marcella Bukofsky. The bride's table bearing the wedding cake was set in the patio.

A gray afternoon dress with a flowered hat was the choice of the bride's mother for the wedding. With this she wore a corsage of pink begonias. Mrs. Farley, mother of the bridegroom, was attired in a frock of powder blue with black accessories, complemented by a pink gladioli corsage.

When the bride left on her wedding trip she wore a fuchsia colored suit. The young couple will live in Mountain View until next fall when they will both attend the University of California doing post graduate work.

Out of town guests included Mr. and Mrs. Willard H. Van Dyke of Mill Valley; Mrs. Eugene F. Bowman and son, Robert, of Westport, Oregon; Mrs. H. Eugene Austin and daughter, Linda, of Van Nuys; Mrs. M. L. Mahan of San Francisco; Miss Anna Hart of Portland, Oregon; Mrs. E. E. Shaw of Wauna, Oregon; Mrs. Violet Buck of Seattle, Washington; Miss Beverly Anne Burgoyne of Salem, Oregon; Mr. Ivan Gay of Reedsport, Oregon; Miss Dorothy Schroeder of San Francisco; Mr. and Mrs. Thomas Cordeur of Oakland; and Mrs. Anders Larson of Berkeley.

Piano Students Give Recital

The annual Informal Recital by pupils from Kathleen S. Bergeron's Piano Studio for Children in Campbell was presented last Friday evening, June 20, at the Country Woman's Club Room in the Library building.

These young artists, aged 5 to 14, played a variety of music from the 17th Century to the more modern of today. Their solos, ensemble numbers, their transposing, playing in reverse, playing tunes to which the pupils added accompaniments of their own making, kept the capacity audience continually interested.

The center part of the program was devoted to demonstrating things the pupils learned besides playing the instrument, the most interesting of these things being the playing from manuscript of original compositions written by the pupils.

Certificates of Merit were awarded the pupils at the close of the program. Mrs. Bergeron is a member of the Santa Clara Branch of The Music Teachers' Association of California and as such is entitled to award these certificates.

At one side of the room was a large table on which the pupils had placed their written work, manuscripts, etc., and the audience was invited to look at them at the close of the program.

Pupils taking part in this informal recital were:

Vivienne Andres, Barbara Baumgarner, Allan Blaine, Richard Buck, Bobbie Jo Flanagan, Douglas Ford, Laura Gordon, Joline Howard, Deanna Lewis, Janet Madrugra, Elizabeth Ribble, Diana Robba, Christine Sells, Terry Tindall, Carol Titus, Nancy Titus.

Misses Heather and Sandra Howard were page girls, presenting the programs.

The club room was beautifully decorated with flowers generously donated by Mr. Robert Scholz, Mrs. Roy Ford and Mrs. Ed Madrugra. The lovely flower arrangements were made by Mrs. Ben Howard and Mrs. David Ribble.

Rites Read At Methodist Church

The Rev. Lawrence J. Osborne of the First Methodist Church was the officiating clergyman at the wedding rites which united in marriage Miss Evelyn Scott, daughter of Mr. and Mrs. Jack Scott, and George E. Adamson, son of Mr. and Mrs. Fred Adamson of Los Gatos.

Saturday evening at 7:30 was the time chosen and, for the occasion, the church was decorated with hydrangeas, regal lilies, carnations, gladioli and sweet peas. Green ferns wrapped the altar rail before which the vows were exchanged.

Mrs. Edith Van Rosstur played the organ.

The bride's father gave her in marriage and Mr. and Mrs. Boyd Johnson of Palo Alto attended the couple. For her wedding the bride chose a green gold suit with reptile shoes and bag and a brown hat. Her corsage was of Vanda orchids. Her matron of honor was attired in a two-tone brown and blue suit with brown accessories and a corsage of yellow roses.

Serving as ushers were Lloyd Mellish of San Jose and John Crawford of Campbell.

Friends and relatives enjoyed a reception following the ceremony in the Country Woman's Club and honored guests who were present included the bride's aunt and uncle, Mr. and Mrs. Hugh Rogers of Madiera and their daughter, Mrs. Richard Atchison of Phoenix, Arizona. Also present was the bride's grandmother, Mrs. Hattie Dunham of San Jose. Other out of town guests included Mrs. Fred Andree of Anderson, Mr. and Mrs. Carl Moroe of Burlingame, Mrs. John Norton of San Francisco and Mrs. Mildred Clifford, also of San Francisco.

Mrs. Scott chose an aqua crepe dress for her daughter's wedding. With this she wore brown accessories and a corsage of pink roses. The bridegroom's mother was attired in black, complemented by a gardenia corsage.

On their return from a wedding trip to Hidden Valley, the young couple will be at home in Campbell.

The bride, who attended Campbell schools, is now a secretary at the Campbell Grammar School. Her husband, a graduate of Los Gatos High School, served in Africa, Italy and the CBI theater with the Army Air Force.

Wedding Date Set For Sunday

St. Lucy's Church will be the setting next Sunday afternoon for a June wedding in which two young Campbell people will be joined in matrimony. The bride-elect is Miss Dorothy Harnish, daughter of Mr. and Mrs. G.A. Robillard, and the future bridegroom is John T. Smith, son of Mr. and Mrs. Fred Smith.

Although both attended Campbell Union High School and both were stationed in Washington D. C. during their service, they did not meet until last November when they attended a dinner meeting of the local Legion Post.

Miss Harnish served in the WAVES and her bridegroom-elect was a technical sergeant in the Army. At present they are students at San Jose State College where the future bride will continue her studies in social science and he his engineering course.

Maid of honor at the wedding rites will be Miss Kay Chambers of San Francisco and bridesmaids will be Miss Dolores Smith, sister of the bridegroom, and Miss Edna Harnish, sister of the bride.

Francis Smith will perform the best man's duties for his brother. Following the ceremony there will be a reception at the Country Woman's Club. Campbell will be the future home of the young couple.

Veterans' News

The loan provisions of the G.I. Bill make it one of the most liberal loan laws ever devised, but several phases of the law are not thoroughly understood by the veteran-borrower in most cases, VA officials report.

Among the G.I. loan regulations most frequently misunderstood by the veteran are:

The gratuity payment by the government of four percent of the guaranteed portion of the loan. (In the case of a full \$4000 guarantee on a real estate loan the gratuity payment is \$160).

Prepayment of the loan at any time without penalty.

The gratuity payment, which the VA forwards to the lender as soon as the loan is guaranteed, is not paid to the veteran-borrower and is paid only once.

However, the borrower has a choice of how the gratuity payment shall be used. It may be applied against either the principal or the interest of the loan or it may be used to make advance payments on loan installments.

The gratuity payment could also be used for paying closing costs of the loan, which include appraisal fees, title policy, escrow and other miscellaneous fees. However, these fees are usually advanced by the veteran when he applies for the loan or paid from the principal of the loan.

VA cautions veterans who for any reason find it necessary to sell their property shortly after the loan is guaranteed to make sure that the gratuity payment is credited to his loan and is computed in determining his equity in the property.

In pre-payment of loans the veteran-borrower has the right to repay at any time, without premium or fee, the entire indebtedness or any part of it, provided his payments against the principal amount to at least one installment or \$100, whichever is less.

Question: What is meant by a guaranty of loan under the GI bill?

Answer: The guaranty of a loan by VA under the provisions of the GI Bill is an agreement between a lender of money and VA that in event a veteran fails to pay his loan, the government will pay the guaranteed portion.

Question: If I can't meet payments on my guaranteed loan, is payment by the government a gift to me?

Answer: No, payment by the government of your guaranteed loan is not a gift. It must be repaid, and if the government pays the guaranteed part to the lender, you are obligated to the government for that part of the loan.
